Her Own Two Feet Launch

Silbi Stainton, founder of the Marshall Direct Fund and her new organization, Peace of the Action, partnered with Ferrari, Aspen Peak, and O2 Aspen for the festive launch of her new shoe line, Her Own Two Feet. Held at a private home, the event introduced Stainton's philanthropic efforts in crisis countries, where she links women entrepreneurs to the global marketplace. Produced by Gold Leaf Event Design & Production, the evening culminated in a fashion show by O2 Aspen and Her Own Two Feet, pairing the bejeweled flip-flops with chic summerwear. Guests dined on cuisine by Mawa's Kitchen Aspen and sipped Veuve Clicquot and Woody Creek Distillers cocktails.
